Group Scout Leader Report – Iain Stanley

Due to the restrictions, we faced during Lockdown and Covid-19 this year we did not set many objectives. The ones we settled on were Consistency and Support. Whilst we came out and moved to "Green Status" and the sections were able to undertake Face to Face Scouting we also set the target of opening up the satellite group in Kingsbrook.

Young people working in partnership with adults in Scouting has always been something we have been proud of. Youth Shaped Scouting not only improves the way we Scout, but also the young people involved. Learning to speak up, be heard and work towards improving something you are passionate about is an incredible learning experience for the youngest Beaver right the way through to our eldest Network member. The Sections have all made great progress in trying to achieve this, all in different ways, and the growth of the sections and happiness of the young people is, I believe, a testament to how this is working inside the group. Therefore, we are striving to continue and strengthen the plans they already have.

We managed to maintain consistency in several different ways, within the flexibility of the Leaders and the restrictions Scouting set down. We continued to use Zoom where it was needed due to many reasons and will continue to support this option within the Group. This over the year continued to be less and less and the Sections moved to getting plans in place to do Face to Face Scouting

We have had many changes within the Buckingham Park side and would like to say Kingsbrook Scouts and Cubs are up and running although always in need of more support and are looking to expand the leadership team. This has been several years in the making and with the support of the district we were able to move past these thoughts and make this a reality just before Easter and are now looking forward to completing this process with the Beavers as well. One key person who I would like to thanks for her continuing support in the Scout section when she is able to offer assistant is **Lucy Parker** our ***Assistant County Commissioner – Scouts***. Although she has her county role to carry out, she is able to support in and vital and key way.

One thing I have learnt coming through Scouting is that recognition of achievements is key; some of this is recognised by awards and also by taking part in competitions. So, it is a great pleasure to congratulate several people below on the following awards they have gained over the year.

I would like to start on a slightly sad note here and have to inform you of some pivotable supporters and leader have chosen to take a step back or move to other groups. I thank them for all they have done for the group or will continue to do for the group

Bree Neale has been in valuable to the development of the Beavers and also Cubs in her time with the group and has chosen to step down as part of the Leadership team in Cubs and support the group in an occasional way.

David Yates who has been a strong and stable member of the Scouts leadership team has chosen to move to another group due to meeting nights no longer being suitable

One of our Beaver Leader Team members was awarded their ***10 years' service***, so I would like to congratulate **Vince Alcindor**

I would also like to welcome several new members to the leadership teams across the group which now includes Buckingham Park and Kingsbrook and others stepping up to higher roles in Scouting.

Chairman Report – Eris Robertson

Welcome to the AGM and thank you for attending. This meeting tops of a busy time for the 12th Aylesbury Group. And what a time it has been. But I feel we have risen to meet every and every challenge, be it change in leader teams, issues around venues, even opening new sections through difficult times. As a group we have managed it all, it gives me great pride to see just what can be done when the odds stack up. Our GSL Iain has worked tirelessly to keep all the plates spinning, with great gusto! Well done to him.

I also want to again congratulate the leaders, both new and existing and those stepping up into new roles, as without you we could not do what we do as a group. I applaud your commitment and effort, we all should, so please take a bow and accept our appreciation, you do an amazing job.

I guess talking about those that lead brings me onto a subject often brought up at executive meetings and that is "where do we find these people, and how do we find more?" As I have said we can't do it all without leaders and we are always looking for more people to join the team. And not just to be in charge of the big things, it's the little things that count too, it could be organising just one evening out of 10 or sending out emails to a potential camp site for a camp later in the season. Every single action helps, and can mean the difference, so please consider if you can help in some way.

Work is still on going looking at meeting venues so we can give the best we can, for those who have been displaced by venue issues please bear with us, we know things are not ideal, but we are working hard behind the scenes to make life easier.

Lastly, I would like to thank those on the executive committee for their work over the last year. The unsung status you hold is sometimes a lonely one, but I know you all do all you can to support the group and keep everything running as smoothly as possible.

I look forward to working with you all over the next year. Again, thank you everyone for your dedication.

Treasurer's Report – Jake Gordon

This report covers the financial year of 2021-22 for the 12th Aylesbury Scout Group: all sections have their own bank account and signatories are all set up online to complete transactions and account for their spending.

Capitation this year at £59.00 per person, however this expense is absent from the 2021-22 accounts due to late receipt of the invoice from Aylesbury District Scout Council.

We have reduced the number of subs outstanding with only a handful of overdue balances within the group. However due to increased costs we have increased monthly subs by £1 to £13.50 per month. Needless to say, we kept this as low as possible & it is the first increase in more than 5 years since we started as a group.

Our fundraising event was delayed and will soon be rescheduled. 2022-23 is expected to provide more opportunities to both organise our own events and attend those held in our local communities in order to help to fund the additional equipment that we'll need as the group continues to grow.

The Camp Bank Scheme has started to be drawn on and used and this will be reduced over the coming months reconciling with those who have moved to Explorers or left the group.

Kingsbrook sections will shortly have their own bank accounts set up to mirror the setup of their counterparts in Buckingham Park.

Approved by the Trustees on 7th May 2022 and signed on their behalf by:

Scrutineer's Report to the Trustees of the 12th Aylesbury Scout Council

I report on the accounts of the Group for the year ended April 2022

Respective responsibilities of Trustees and Scrutineer

As the Group's trustees you are responsible for the preparation of the accounts; you consider that neither the audit nor independent examination requirements of the Charities Act 2011 apply. It is my responsibility without carrying out an audit or independent examination to scrutinise the accounts and to report to you.

Basis of Scrutineer's Statement

In accordance with the directions given in the Group's/District's constitution, I have scrutinised the records and the accounts set out on pages *8* to *11*

Scrutineer's Statement

In my opinion the accounts are in accordance with the records produced to me and comply with the constitution.

Buckingham Park

It has been an eventful 1st year that we have thoroughly enjoyed with 1st Buckingham Park Beavers.

In September 2021 we experienced our 1st Log chew – where the children share al their amazing ideas for the things, they would like experience and achieve at beavers. We taught the children many different knots, all about the changes to the seasons and how to create realistic wounds and how to bandage these.

October started with a fun sleepover for the older Beavers which proved to be exciting for all involved. Back at the community centre much excitement and team work were had by the beavers as they created marble runs using junk modelling and Vicky shared with us some spectacular science experiments. Before he moved up to join the cubs, Lewis outgoing gift to the beavers was Halloween trick or treat special involving dressing up and doughnuts amongst other things!

We started November with firework art before learning a variety of skills including how to correctly roll our Beaver scarves, tying shoe laces, making phone number bracelets & lighting a candle with a match. The children learnt a lot when 2 community heroes, Nurse Lizzie and Policeman Richard, came to show us what it was like to walk in their shoes.

December brought us Colonel custard at the Beavers district Christmas party with lots of fun and games. The beavers learnt all about the green cross code and, even though we had to finish a week early due to covid numbers rising, we still got to enjoy singing our favourite Christmas carols around the (indoor) campfire.

The new year of 2022 brought us Scott with his brilliant Burns Night. He had a fabulous time teaching the Beavers many Scottish words, making our own tartan and learning some Scottish country dance steps. He even wowed them with a Scottish version of the Gruffalo story.

We spent Feb 2022 learning about many global issues including recycling, fairtrade and had an international evening of jet setting to countries around the world,

March was launched with a wonderful evening with the Aylesbury wombles, the highlights of which were a game of hungry hippos using old cans and litter picks and a football skittle game only using old bottles salvaged. The children then went on to create bird and butterfly feeders and started to grow broad bean, sunflower and cress seeds and discuss how to keep these alive.

Adam's last log chew

In April the Beavers learned about St George ahead of the St George's Day parade and started to talk about the changing seasons thinking all about spring.
We've so much more fun planned for the rest of the year including the much-anticipated day away at the Beaveree which promises to be a magical wizarding day out.
Thank you to each and every parent who has helped supported us by leading part a session to show off their expertise, giving up their time to help and encourage the beavers to learn new skills and for providing the beavers with all the fun items we need to complete our activities. We couldn't do it without you.
But also, a big thank you to all the Beavers who come to the sessions with so much energy and enthusiasm. We've enjoyed learning all your fab games so far.
We have both enjoyed our journey into becoming part of the scouting world and look forward to many more Beaver adventures.

Buckingham Park

Over this past year we have taken part in many activities, we have done walks along the Buckingham park meadows, investigating how the changing of seasons affect the country; we have been super sleuth's finding who "done it" in outdoor Cluedo; we have learned the history of our village and how it was shaped by the battle of Holman bridge; going back to our roots and learning about the history of scouting; learning knots and lashings; we even met the mayor and learned all about our carbon footprint and how far our foods have travelled.
We had 8 cubs who took part in the county endurance event where all involved did incredibly well, coming 12th overall. Great achievement.
In the coming year, we hope to inspire cubs with many new and exciting activities and events, to name a few in the "pipework" we are planning a cub activity day doing activities like climbing, caving, go carts etc...We are also planning on attending ASAP camp where the cubs can take part in a range of activities such as zip wire, crests run, cube; completing as many activities as they can. The cubs are also taking part in a district trip to France in December.
Thank you to all the leaders, supporters, parents and most importantly the cubs for a successful year at Buckingham Park.

George Leaver (Kaa) ***Assistant Section Leader - Cubs***

Buckingham Park

Well, what can I say about this year, we closed the year of with a great chance to get out and have a mess about in kayaks and look to do this again in 2022 when we have warmer weather.

In the winter we undertook an outdoor programs in the park and out and about really getting back to Scouting, although this had some poor weather nights we battled through and continued to run evenings in whatever way we could, we were then back indoors for a short time in the community centre till easter and we have now go to a plan to move around the district and other venues all whilst we try and secure a more permanent home for each week. Although this is disruptive, we still proved a program youth driven and to help develop their scouting skills and hope it will settle soon.

Some of our leaders in the middle of the year moved over to the new section in Kingsbrook and we look forward to joint camps and activities with them once they are all settled. However whilst we lost some leaders we also gained a few and still on the lookout for more!!

In the middle of the term we took a break away from all things scouting and the things happening in the world and took a trip to Cadbury world which I seem to remember was very well received and loved by all. With a great turn out at remembrance Parade in Market Square, the Scouts did the group proud representing and showing respect. The Senior patrol leaders managed to plan and organise an amazing camp close to Christmas and this event has now been voted to be a traditional camp and we look forward to the next set to plan 2022. Considering this camp was all planned over zoom meetings the

Senior Patrol Leaders did an amazing job and the camp was loved bay all.

The highlight of 2022 so far must be an amazing opportunity our GSL manage to arrange which truly went down and a top 3 experiences the Scouts have said they have had whilst with use. This was 2 weeks at Mia learning about Sushi and making Sushi. In fact, the owner was so impressed by the politeness and maturity of the section he has invited us back and also potentially offered a fundraising event for the adults so please watch this space. Whilst I was there one week the was one couple dining who commented and were impressed by the Scouts as well as commenting "Wow, I wish I had a chance like this when I weas in Scouts"

A Close second was the Scouts manage to enter 2 teams into a very popular county competition call "Endurance Events" and we must say thanks to the parents who shadowed the groups to ensure they were safe and navigating ok. The event has multiple stage and for the Scouts they have to complete a 40Km walk within 14hrs in the Chiltern hills which is no easy things. With around 47 teams taking part out Scouts manged to come 3rd (after spending critical time saving a bolted Horse) and the second team managed 30Km. this is both an amazing feat of will power and mental ability and we do certainly take out hats off to all those who took part: Zoe, Alex, Hannah, Rufus, Ethan, Elodie, Charlotte, Katie

The last big event we attended and were proud to take a lead role in was the St Georges day parade where some of our Scouts got the honour of carrying the St George and support this, which means we are at the front next year with even more responsibility. The Scouts were so proud to be asked and took the role on with dignity and respect on a cold day. Well done all.

Lastly we as a leader team would like to reach out to all parents who have supported us throughout the year and continue to do so. We are looking to expand the team so if you like the sound of the adventures then please get in touch.

Laura Sinclair – *Section Leader – Scouts*

Kingsbrook

The is not much to say as we are still on the lookout for our Section Leader.

Iain Stanley ***Group Scout Leader***

Kingsbrook

Well, we have opened and had amazing few first few weeks and looking at some camping options along with joining up with Buckingham Park.

Iain Stanley ***Group Scout Leader***

Kingsbrook

That has been an amazing few weeks and we have really started to work as a team and understand what the Scouts might like to do and get out of Scouts and to start with nearly 20 members is amazing.

So, all I can say is her to the future.

This is a closed group, only parents linked with the group are allowed to join and the page is managed between the Exec and the leaders. It is designed to allow parents to comment and discuss, as well as to ask questions and post ideas and share potential opportunities, as well as leaders sharing important information from Scouting UK.

Easy Fundraising

For those who do lots of online shopping then please consider using this application which gives the group a percentage of what you spend. You don't pay any extra the company pays the difference. This is a great and easy way to support your local group.

www.easyfundraising.org.uk/causes/12thaylesburysg

We are looking at doing a few fundraising events over the year as well as applying for some grants so please watch out for further information, However, in the meantime please get signed up to the Easy Fundraising to start helping us in this way. In the not too distant Future. we will be looking at getting our own charity status to allow us to claim Gift Aid to again help with Funds. If you would like to help with this please let us know.
